About Friends

Friends of Bohemian National Cemetery is a 501(c)(3) nonprofit organization established in 2004.

Our mission is to promote the historical significance, enhance

the beauty, and preserve the artistic heritage of Bohemian National Cemetery.

We work to restore and preserve the cemetery's buildings, monuments, records and family stories.

Friends and Bohemian National Cemetery have received numerous grants and donations, enabling the repair and restoration of:

- crematorium/columbarium roof
- historic water tower
- gatehouse bell tower
- cemetery burial registers
- art glass windows in the Ceremony Hall

We continue our work on various restoration projects at the cemetery, with a particular focus on the crematorium/columbarium building.

About the Cemetery

Bohemian National Cemetery was founded in 1877 by eight Bohemian fraternal societies "to provide suitable burial site for persons of Bohemian birth or extraction." Ten years later, the cemetery was opened to all nationalities on a non-sectarian basis.

After two expansions, the cemetery today covers about 124 acres, where over 115,000 are at rest in mausoleums, gravesites, tombs, and columbaria.

Bohemian National Cemetery has been listed on the National Register of Historic Places since 2006.
